

## HILLSVIEW GOLF BOARD MEETING

MARCH 11, 2019

Hillsview Clubhouse

Meeting called to order at 5:30 PM

Present: Bartlett, Bothun, Conzemius, Farnsworth, Fulton, Gordon, Hayn, Hepper, Johnson, Kulesa, Tipton

Excused: Baus

Conzemius moved, Bothun seconded that minutes of the February meeting be approved. Motion carried.

Bothun moved, Conzemius seconded that that agenda be approved. Motion carried.

### Hayn Report

Carin circulated the preliminary tournament schedule for 2019. One highlight is that the SDGA Adult/Junior Championship will be here in July. Another is that a college prep tournament will be sponsored by Sanford Health in July. The 50<sup>th</sup> Desert Classic will be August 9-11.

Options for a bi-fold scorecard were circulated. The current printer is working on options for advertising to keep the cards free. Current cards will be used up first and new cards cannot be printed until the course is rated this spring.

SDGA will be providing a rules training session on the 19<sup>th</sup>.

### Tipton Report

Bryan said the South Dakota Superintendent's show in Sioux Falls was very informative. Adam Kulesa won the Assistant Superintendent of the Year (18 Hole Course). It is a real honor and it was discussed that we are fortunate to have both working here.

### Farnsworth Report

Tom reported that he had received Bryan's recertification by the CGSAA. So far just under 70 memberships had been sold despite the poor weather.

### Old Business

Five year capital outlay plans were reviewed. First priority is replacing one mower, a sprayer, and getting some smaller utility carts to move people around the course for spot mowing and weed whacking.

On course priorities include finishing bunker renovations. The pond on hole 8 will be lined. 2019 season tasks will include, weather allowing, a walk bridge between holes 4 and 8, building a first target green on the range (aiming for shorter clubs first at 80 to 140 yards depending on the tees being used), metal blanketing by the pump house to stabilize erosion that occurred due to high water last year, and possibly moving the hole 8 cart path toward the hole and planting hedges to provide a visual divide from the maintenance shed parking lot.

A used roller was purchased. It is the same as the current model and was within existing budget. This will allow quicker course prep for tournaments and shotgun starts.

### New Business

Bothun discussed boosting revenue for the "Superintendent's Revenge" tournament through a raffle.

Tipton reported that he had full on-course staffing for the coming season subject to final personnel checks with the City.

The weather and course opening was extensively discussed. Unfortunately, winter has been tough. No likely dates were identified, but Tipton and Hayn will stay in touch and work to open the course as soon as feasible.

Next meeting was set for May 6<sup>th</sup>.

Hepper moved, Gordon seconded to adjourn. Motion approved and meeting adjourned at 6:15.

Neil, Fulton, Recording Secretary
